The Agape House of Prescott, a 501(c)3 nonprofit faith based organization, has the vision to make a difference in the Prescott area.

In 2013 we started with a vision to help homeless families ...our goals are as large as the problem of homelessness. *With your help*, we can meet the needs of the families in crisis and eliminate homelessness in our community!

WE NEED YOUR HELP TO MAKE THAT DIFFERENCE!

The number of homeless families in the Prescott area is astonishing! Some live in their vehicles; others camp in the forest; and still others live night-to-night in shelters, on community benches, or friend's couches. Many have been faced with hard times due to divorce or loss of job, resulting in financial conflict. They have lost the self-esteem required to pull themselves out of this devouring pit. Agape House provides more than housing. We provide a way out of homelessness through life skills programming including counseling, mentoring, relationship, and financial-training for these individuals. Our program helps them regain their confidence in themselves by providing hope and a pathway to independence.

Keeping Prescott Area Families Together Through Hope, Love, and Housing!

and YOU for support!**

striving to eliminate
homelessness
