

You Still Have Time To Get a Tax Credit!

What is the AZ Charitable Tax Credit?

The State of Arizona allows you to donate owed tax money to a qualifying charity instead of paying the money on your State Income Taxes. Arizona taxpayers can donate up to \$800 for a married couple and \$400 for single filers and receive a dollar-for-dollar reduction of the income tax they owe.

How Does it Help Others?

Agape House of Prescott uses the Arizona Charitable Tax Credit to rebuild and transform the lives of families who are living in crisis. Our program has an 86% success rate of families living independently one-year after graduation from Agape House. We are changing the face of homelessness one family at a time. *Contribution Deadline: April 15th. Qualified Charitable Organization Code (QCO) #20162*

Our Mission

Agape House of Prescott exists to provide long term transitional housing for families who are without a residence. We actively seek to keep the families together while helping facilitate additional support services in order to equip the families for an independent and self-sustained future
