

# Agape House Endorsements

City of Prescott, Community Development Block Grant was the first first grant ever received by Agape House and has continued receiving council support for 10+ years. Thank you City of Prescott!

## Cathey Rusing

In 2020 as council woman and 2022 as Mayor Pro tem, Rusing shows her support of Agape House by presenting a proclamation for November as Homelessness Awareness Month. She also announces the support by giving \$45k to help with renovations by using local contractors through the CDBG, Community Development Block Grant. \$51k awarded in 2026 from CDBG.

## Phil Goode

Yavapai County Supervisors Mary Mallory and Chris Kukyno offer their support of the services Agape House provides families: teaching life skills, career coaching, budgeting, counseling, and mentoring. Phil Goode is pleased with Agape House's focus on rebuilding lives and its success rate. Prescott Valley town council members, Janelle & Matt Zurich, supported Agape House by attending Open House, and PV Mayor Kell Pelguta said at a recent Town Council meeting that he "Loves Agape."

## Greg Mengarelli

Greg Mengarelli supports Agape House of Prescott, a local nonprofit transforming the lives of families experiencing homelessness through long-term transitional housing, mentoring, discipleship, and life skills training. Homelessness is often hidden—those affected may be students, service workers, or neighbors in our community. Agape House's impact is significant, with 86% of graduates living independently one year after completing the Pathway to Independence program. We thank Agape House for the life-changing work they do.
